## Weather Report

Saturday morning dawned misty with very little wind. There was fog in the Channel but only a light mist in the Solent that soon burned off leaving blue skies and hot sunshine.

After an hour's postponement the first classes started in under 5 knots of easterly wind and had very light winds to Hurst Castle.

Reports from the larger boats were of 8-13 knots of SE wind in the Needles Channel, before going light again past the lighthouse. The wind soon picked up and the first yachts reached St Catherine's with 8-13 knots of mainly south easterly wind.

There were some large wind holes near Ventnor before the wind finally filled in for a beat to Bembridge and a run up the Eastern Solent in SE 8-13 knots.

At the Brambles Post, the wind rose from 2 knots at 0800 to 10 knots at 1000 BST. It then stayed at around 8-11 knots before easing after 1700. The direction was between E and SE. Visibility was moderate, becoming hazy at the end of the afternoon.
