Weather report

The cold front hung around over Friday night longer than expected and although we had a light start for the early classes it soon picked up to a force 4 in the western Solent. This felt stronger as sailing with the tide adds a couple of knots to the apparent wind speed.

Soon the front cleared and we had unbroken sunshine for the day. Near St Catherines there were lumpy seas with wind against tide and the wind reached 20-25 knots at times. Through the eastern Solent the wind continued to be strong and the wind at the Brambles stayed between 20 and 25 knots (f6) with the occasional stronger gust.
